February 2020

Dear School Administrator:

It is with great pleasure that we inform you that the artwork of students in your school district has been selected to be part of the 30th annual NYSATA Legislative Student Art Exhibition.

The New York State Art Teachers Association in partnership with NYSUT and in collaboration with our New York State Legislators organizes this exhibit annually. The goals of the exhibit are to showcase our art programs to our legislators and to give our young artists an opportunity to receive statewide recognition.

The exhibit will be on display in the Legislative Office Building 3rd Floor Terrace Level from March 30, 2020 through April 13, 2020. The reception is Wednesday, April 8, 2020 from 11:00 a.m. to 2:00 p.m. and will be held on the 3rd Floor Terrace Level. The Ceremony, with greetings from Legislators and leaders in education, will take place from 12:30 p.m to 1:15 p.m.

You are cordially invited to attend the Legislative Student Art Exhibition Reception. If you plan to attend, please email the participating art teacher in your school district. On the subject line please input in your name, school district and confirm attendance. Thank you.

We look forward to meeting you at the reception.

Sincerely,

Carol Pinkans
Legislative Student Art Exhibition
