Fake Paparazzi

Graphite

This picture is about a group of friends on a bridge taking a picture in the square of a Japanese market. The artist drew this picture the way it would be seen through the viewfinder of a camera. The words and graphics relate to the settings of the digital camera that took this picture. The circle is indicative of the area of the frame that is in focus. "Capture" is written around the circle to emphasize the focused area of the picture. "F8" refers to the F stop and the symbol with "60" refers to the seconds. The flash symbol was drawn on the picture to indicate that it was on when the picture was taken. "REC" is the symbol for record. The camera battery was low when the photo was taken since the words; "Low Battery" is written on the picture.
