Dear School Administrator:

It is with great pleasure that we inform you that the artwork of students in your school district has been selected to be part of the 31st Annual NYSATA Legislative Student Art Exhibition.

The New York State Art Teachers Association in partnership with NYSUT and in collaboration with our New York State Legislators organizes this exhibit annually. The goals of the exhibit are to showcase our art programs to our legislators and to give our young artists grades k-12 an opportunity to receive statewide recognition.

The Legislative Exhibit is the flagship event for Youth Art Month, celebrating the visual arts, encouraging support for quality art programs and promoting art material safety.

For the safety of all during the COVID 19 Pandemic, the Legislative Student Art Exhibit will remain 100% virtual through 2021. The NYSATA Board of Trustees invites you to view the virtual display on the NYSATA.org website starting March 4, 2021 and through 2021 calendar year.
