

March 2023

Dear Parent/s and Guardian/s,

Congratulations! It is with great pleasure that we inform you that your child's artwork has been selected to be a part of the 33rd Annual New York State Art Teachers Association Legislative Student Art Exhibit.

This annual exhibit is organized by NYSATA in partnership with NYSUT and in collaboration with New York State Senate and Assembly. The goals of the exhibit are to showcase our art programs to our legislators and to give our young artists grades k-12 an opportunity to receive statewide recognition.

The Legislative Student Art Exhibit is also the flagship event for Youth Art Month, celebrating the visual arts, encouraging support for quality visual arts programs and promoting art material safety. Traditionally, this exhibit has a physical presence with an opening reception and celebratory ceremony at the Legislative Office Building, Empire State Plaza, Albany NY. The exhibit has temporarily shifted to an all-virtual format and should return to an in-person in 2024.

The NYSATA Board of Trustees invites you to celebrate Youth Art Month and view the virtual edition of this exhibit on the NYSATA.org website at <https://www.nysata.org/legislative-exhibit>

The virtual exhibit will be concluding Youth Art Month, posting on March 29, 2023 and will remain accessible through the February 2024.

Thank you for appreciating the academic of art as a critical component of a child's education and encouraging your child to engage in the joy of creating visual art.
