Assemblyman  
PHILLIP STECK

February 2019

Dear School Administrator:

It is with great pleasure that we inform you that the artwork of students in your school district has been selected to be part of the 29th annual NYSATA Legislative Student Art Exhibition.

The New York State Art Teachers Association in partnership with NYSUT and in collaboration with our New York State Legislators organizes this exhibit annually. The goals of the exhibit are to showcase our art programs to our legislators and to give our young artists an opportunity to receive statewide recognition.

The exhibit will hang in the Legislative Office Building , The Well, from February 25, 2019 through March 7, 2019. The reception is Wednesday, March 6, 2019 from 12:00 p.m. to 2:00 p.m. and will be held in the Legislative Well. The recognition program and greetings from Legislators and leaders in education will take place from 1:00 p.m to 1:30 p.m.

You are cordially invited to attend the Legislative Student Art Exhibition Reception. If you plan to attend, please email the participating art teacher in your school district. On the subject line please input in your name, school district and confirm attendance. Thank you.

We look forward to meeting you at the reception.

Sincerely,

Carol Pinkans  
Legislative Student Art Exhibition  
Chairperson
