March 2017

Dear Legislator:

It is my pleasure to inform you that art work by students from your district has been selected to be exhibited at the 24th annual NYSATA Legislative Student Art Exhibition. The exhibit will be open from Friday, March 24 until Wednesday, March 29, 2017. NYSATA in collaboration with NYSUT organize this exhibit during the month of March which is Youth Art Recognition month.

Art education is vital for the cognitive and emotional development of young people. This exhibit reveals the skills and concerns of our young artists. During the reception you will be able to meet the students from your district and hear about their work and their inspirations.

The reception will be held on Wednesday, March 29 from 12:30-2 PM in the Legislative Well, Terrace Level. A meet and greet with students, parents, and teachers from your district will begin at 1 PM.

We encourage you to bring a photographer to take a picture with the artist and their parents with the student's work. In the event the student is unable to attend, we invite you to take a photograph of the work and send autographed copies to the school for the artist and teacher.

When arriving at the reception area, please check in at the Legislator's Hospitality Desk located in the exhibit area near the elevator. For your convenience, the exhibit will be alphabetized according to school district name. The students' art teacher(s) will have contacted your office with the names of the students attending.

Please respond via return email if you will be attending. In the subject line of the email, please enter your name and "yes".

Thank you. We look forward to greeting you at the reception.

Sincerely,

Carol Pinkans
