September 2019

Dear Students and Parents,

It is our great pleasure to inform you that your artwork will be on display at the New York State School Board Association Conference in Rochester, NY. The exhibit, co-sponsored by NYSATA and NYSSBA, is intended to highlight achievement in Visual Art across the state. The work on display clearly demonstrates a high level of student ability at every grade level, in a spectacular range of mediums, techniques, and genres.

We invite you to view the show, at the Rochester Riverside Convention Center, in the Exhibit Area. The exhibit is open Thursday, October 24th from 11:30am to 4:30pm and Friday, October 25th from 8:00am – 4:00pm. A special viewing for student artists, their families, and their art teachers is scheduled for Friday evening, from 4:00 until 5:30 PM. We hope you can join us to see your artwork in this venue.

The teachers who contributed to this exhibit of student artwork are all members of our association. Their commitment to their craft and dedication to their students goes far beyond the confines of their classrooms.

Congratulations on your outstanding artwork and for sharing it with the educational community. Artwork will be mailed back to art teachers at the conclusion of the exhibit. We thank you for your support of visual art education.

Sincerely,

Alyssa Lindstrom, Doug Michalak, & Tess Meka
