Competition Guidelines

NEW YORK STATE ART TEACHERS ASSOCIATION

Welcome!

Thank you for choosing to enter a creative design solution in this year's OVA event.

This document has been created to provide your team with guidelines and the requirements for completing your OVA entry and supporting documentation.

Your team will install your long term design solution and planning portfolio on site at the Saratoga City Center on April 19th.

It is important to read and review the information in this document very carefully and follow the competition directions. If you need support along the way please email us at ova@nysata.org

Competition Guidelines

Competition Guidelines

Teams arrive to the Saratoga City Center with their long term designs & portfolios ready to install, their supplies for the on-demand design competition, and their bag lunches in a box/bin.

1 District Representative will report to the check-in table with the **registration form, chaperone form, and media release forms.**

Teams will be assigned numbers and be directed where set up. **Teams do not select their own spaces.**

Every effort will be made to provide equitable space for teams to set up and work on their on-demand challenge. Flexibility and cooperation of all teams is expected. Volunteer coordinators oversee team installation and competition.

Teams must clearly display their assigned number on their **category entry, portfolio, and completed on-demand solution.**

Competition Guidelines

Teams are required to upload a LINK to a slide (*anyone can edit setting*) with a jpeg or png file of their completed long term design solution by 4pm **MON. April 12th** in order to be eligible for awards.

The upload access link will be on the OVA page of the NYSATA Website. Photos should be clear resolution and tightly cropped with little to no background. (Students should NOT be in the photo.)

Slide Links should be titled according to the example below:

Category.DistrictName.Level

Example: (Painting.Hicksville.Middle)

Levels are: Elementary, Middle, HS

Read each
section
carefully!

Team Introduction

Team Introduction

Each team will present their planning portfolio alongside their long term design solution. The **FIRST PAGE** should contain a team introduction.

The Introduction should communicate the following information:

- The Design Category
- Your NYSATA Region
- Your School Name
- Your School District
- All Team Member Names w/grades
- Art Teacher Advisor
- Advisor Email Contact
- **TEAM/ARTIST** Statement

The Artist/Team Statement should briefly describe yourself and explain how you chose to respond to the design prompt in this category.

Evidence of Research

Research

In the portfolio include a section highlighting the research the team conducted when brainstorming and developing the design.

WEBSITE LINKS **ALONE** are **NOT** considered research. Links to websites may only be included to *cite sources*.

JUDGES **WILL NOT** consider research if it is only a link to a website.

You **MUST** capture your research in your own words, images, or recorded statements. You may include pictures of your resource books or imagery. (*Website addresses are simply to cite your sources.*)

Artistic Integrity

Artistic Integrity Understanding

Artistic Integrity refers to an artist's commitment to generate their own original ideas and work. All work that is entered for adjudication in O.V.A. must be original, created by the participants. If existing artworks, images or Ai are used in the creation of work, they must be documented and cited. All work should represent original ideas AND a significant transformation of any images used. (beyond changed colors, cropping, or material use)

Design Planning

Design Plans

In the portfolio include a section documenting your design development process. How did your design evolve? Help us understand your process?

Evidence of your Brainstorming and Planning of your Design Solution Process can be shown in sketches, photos or other images.

Journalled notes and written remarks can help describe your decision making process.

You may also reference your **Artist Statement** from your introduction page to further explain your overall design solution.
