✨ Positive Comments

Great use of _____! Your artwork really stands out because of _____.

I can tell you worked hard on this by the way you _____.

You did an awesome job, especially with the _____.

Nice creativity! Your ideas are very unique, specifically _____.

You showed excellent effort, especially with _____.

My first impression of your work is _____ because _____.

Your work is so neat and detailed, especially _____.

Wonderful use of _____ in your _____.

Your colors go together so well. It makes me feel _____.

I really like how you added your own special touch when you _____.

This is such a (joyful, mysterious, exciting, etc.) piece of art!

You followed the directions so well.

Your brushstrokes (or lines, colors etc.) are very expressive!

I can see your story coming through in your artwork.

🔧 Constructive (Kind & Helpful) Comments

Next time, try using a little more (color, value, etc.) to make it pop even more.

Let's try to slow down and focus on the small details, especially with _____.

You did great. Now let's see if you can _____ next time!

Try _____ to make the _____.

You're doing well. I wonder if you can add a few more details to tell the whole story.

Next time, check if your artwork _____ like the problem wording suggests.

Let's remember to use _____.

In your portfolio I see you are improving so much! Now let's work on _____.

Can you add a few more _____ next time to make it even more exciting?

Think about what's happening in your artwork. Can you show that with more details?

This is a great start. I wonder if more work could be done to finish every part.

Try to keep your paint/crayon inside the lines next time. You're almost there!

Keep practicing your cutting/gluing! You will get better every time.

Let's add more (contrast etc.) so the important parts really stand out.

Remember to take your time and be proud of every step!
