OLYMPICS OF THE VISUAL ARTS CHAPERONE FORM

complete one form per team

CATEGORY: _____

GRADE LEVEL: _____

- Olympics of the Visual Arts is an extracurricular school program founded by the New York State Art Teachers Association. NYSATA believes that creative problem solving in the visual arts is vital to a full and enriched life in our society.
- Student participants may compete as individuals or as part of a team; there is no limit to the number of team members. The three levels are grades, K-6, 6-8, and 9-12.
- Chaperones shall be appointed for each problem entered. The chaperone shall accompany the student(s) for the entire OVA program. Chaperones may provide organization for their teams, select the team, set meeting times and places, supervise and review work, help provide materials and information, and arrange for transportation, etc.
- Chaperones may not participate in developing ideas for the solution, or actual solving of the problem. Chaperones may assist participants in the learning of skills necessary to complete their ideas, and how to use particular tools and resources.
- **The form must be completed for each separate team. The same chaperone name can be on more than one form.**

- -

We have read the above information and understand the role of the chaperone in solving Olympics of the Visual Art's problems. We certify that the solution being presented was arrived at by the individual/team, and in no way violated these rules.
