

OLYMPICS OF THE VISUAL ARTS

Spontaneous Problem Materials List

For all design categories except Fashion, each participating team will need to bring the following items to participate in the on-site spontaneous design solution, to be announced the day of the event.

For the Spontaneous Problem Solution, it is important each team have the same basic set of identical materials to use for the development of their entry. The following list is to be adhered to, regardless of the number of students in each team. No wet items are permitted at the venue. If additional materials are used, teams risk disqualification.

- White drawing paper (8 pieces, 18x24)
- Colored Paper (8 pieces, 12x18)
- Masking tape (1 roll)
- Crayons (1 box of 24)
- Scissors (1 per student)
- Glue Stick
- Pencils
- Erasers
- Magazines
- String (3 feet long)
- Large plastic bag
- Drawing board

Reminder: OVA is a “Carry in-Carry out” event. Please be kind and take everything with you at the end of the day.
